## **MASTER LIST OF EVENTS 2009/2010**

The ownership and staff would like to thank all of our patrons in the many sports venues, for making the 2008/2009 calendar of events the most successful year to date.

The addition of air-conditioning and our new thermal roof brought new life to our summer season. The expansion of our outdoor recreational programs was significant. Our summer camps, specialty sports camps, day care, Satellite camp, picnics and parties all saw growth.

The Sportsplex is proud to announce our latest venture, The Bucks County Expo and Conference Center at The Sportsplex. By partnering with the Bucks County Visitors Bureau and Eventive Productions The Sportsplex will offer the same great service and venue to the business and religious communities.

The Sportsplex will strive to offer a clean, well administered venue at affordable prices, to ensure the confidence of our repeat customers. We welcome the arrival of many new and exciting events for the up coming year.

Please check out our website and email Mike Churchville with any comments or suggestions.

Respectfully yours,

Mike Churchville  
Executive Director
